Hi Christina,

I understand. Can you please provide a list of CASAC subcommittees and working groups active since January 2016, and please note which of these panels, such as the Particulate Matter Review Panel, are not scheduled to continue their work past 2018?

Thanks,
Priyanka

Hi Priyanka,

Thanks for your request, but the information that you are asking for is not readily available, and would take an exhaustive search to find. Can we narrow the request down to a more manageable ask so that we could get you some information sooner rather than later? The historic info will be a bit more difficult to collate quickly.

Let me know your thoughts.

Thanks!

Hi Christina,

Please see the request I had previously sent to Aaron below.

I was looking for a list of current and historic CASAC subcommittees and working groups, and was having a hard time locating this information on the CASAC website, or on GSA's FACA website. Can you please provide a list of current and historic CASAC working groups and subcommittees, and the years when they were active?

Thanks,
Priyanka
